

## Page 1: COVER

**Page Size: 11" x 8.5" (W x H) with .25" Margins & .125" Bleed**

**Bleed Area:** Extend background to fill this entire area. Also, flow graphic elements into this area if they should reach the edge. This ensures that after trimming, background and graphics completely fill the page without any white edges.

**Trim Line:** Elements positioned beyond this line will be trimmed off.

**Safe Area:** Position important text and images inside Safe Area to prevent trimming.

Please upload your file design as a **PDF**. While exporting to PDF **include crop marks and include bleeds**.

Delete Cornerstone Guidelines Layer before exporting to a PDF.
